

Spring 2011

We are excited that you have decided to visit PORTICO. Before you join us this weekend, here is some helpful information to ensure you have a pleasant experience.

On Sunday mornings PORTICO offers worship venues at 9:15 and 11:15 am. **PORTICO Live**, our contemporary service meets in the Worship Centre at both service times. Also at both times, is the **Video Café** in the Gym, an informal way to connect with the Live venue, via video. **The Chapel** venue meets at 9:15 am in the Chapel. Our Student Ministries meet during both service times upstairs in Room 210 for those in Grade 6 through High School.

Our Children's Ministry programs are offered during all of our service times. The infant to grade 1 program is conveniently located just inside the main entrance. Programming for grades 2-5 is hosted on the second level. Should you require assistance, our Children's Ministry volunteers, easily identifiable by their photo ID, will be available to help you.

For guests with children, please plan to arrive at least 15 minutes early to get your children settled in their program, and not miss the beginning of your venue of choice.

Please note, the security of your child is of the utmost importance to us and we have implemented measures to ensure your child's safety. As such, only the individual who signs a child into the program will be able to sign them out. If you have any security questions, feel free to contact us info@theportico.ca.

Every weekend, our volunteer staff at the Information Centre, located in the foyer, are available to answer your questions regarding PORTICO's ministries, event, or to provide you with assistance.

For any additional information, please do not hesitate to contact us.

We look forward to seeing you!

Doug Rhind
Senior Pastor
