A weekend venue at PORTICO is a unique and engaging experience. Hundreds of people of all ages and different ethnicities, gather to worship Jesus and to learn from His Word.

These venues are carefully crafted with connecting in mind. Songs are selected to provide a worship experience that allows you to connect with God in a personal and meaningful way. Relevant messages from God's Word connect the ancient text to a practical application for life today. You also have opportunity to connect with others over a cup of coffee—Connecting with Christ and His family.

At the very heart of Jesus is His desire to connect with you. Listen to His words,

“I’ve loved you the way my Father has loved me. Make yourselves at home in my love. If you keep my commands, you’ll remain intimately at home in my love.” —John 15:9, 10 Msg

It is this kind of satisfying, warm and meaningful connection that we want to help you make with Christ and His family.

Our *Connect* Teams are ready to serve you throughout your PORTICO experience. Beginning with the greeters you meet when you enter the building, we have capable teams whose goal is to provide direction and to ensure you have every opportunity to connect with Christ and His family.

The sun is shining brightly through the trees, creating a warm, golden glow. The text "Connecting with Christ and His family." is overlaid on the right side of the image.
